

Scopia XT Executive 240

Premium Performance Desktop

The Scopia XT Executive 240 transforms an individual's office into a high performance multi-party virtual meeting room

Integrated Desktop Video Conferencing & PC Display

The Scopia XT Executive's 24" full HD LED display, HD camera, high fidelity speakers, echo cancelling microphone, and advanced video conferencing platform provide an elegant all-in-one desktop video conferencing system and PC display. The modern design of the XT Executive complements any executive's desktop.

Exceptional HD Experience

HD 1080p for highly detailed content sharing and available simultaneous 1080p video deliver an outstanding experience. H.264 High Profile provides ultimate bandwidth efficiency and H.264 Scalable Video Coding (SVC) offers high performance over congested networks. The XT Executive delivers an exceptional experience for real-world user applications and network conditions.

Intuitive and Easy-to-Use

Making video calls is easy, instant and intuitive with no training required. The XT Executive is fully integrated with PCs and Macs thanks to a simple to use application that provides complete control from a computer. A user friendly wireless remote is also included for traditionalists, and for a Multi-Touch experience, the XT Executive can be enabled for management by the Apple iPad.

Embedded Multi-Party Conferencing

The Scopia XT Executive offers optional embedded multi-party conferencing with support for up to 4 remote participants. This dedicated multipoint collaboration capability is always at the ready for impromptu group meetings in today's fast-paced business environment.

All-in-one Conferencing Solution

The Scopia XT Executive 240 is also offered as a unique all-in-one video conferencing solution combining the XT Executive's video capabilities with embedded 4-way multi-party conferencing, Scopia Desktop and Mobile conferencing for remote participants and BYOD initiatives, along with firewall traversal into an easily deployed all-in-one video conferencing and collaboration solution.
